

The King's Chapel is committed to keeping your family healthy while worshipping at The King's Chapel. The King's Kids Ministry will do the following:

- Please keep your kids at home until they are cough free, fever free, diarrhea free, vomit free and green snot free for at least 48 hours.
- Families of multiple children: we encourage you to keep all kids home until you have had 48 hours with no one getting sick.
- We ask everyone to use hand sanitizer at check-in. We are encouraging frequent hand washing
- We don't require our workers to wear masks but they are welcome to if they so choose. The parents of the children decide if their children wear masks.
- Our rooms are disinfected between uses and all toys and equipment that have been used are washed or wiped down to prevent the spread of germs.
- If your child has a continual runny nose that requires being wiped multiple times in an hour (even if it is clear due to allergies and teething) please be sensitive and keep them with you so our King's Kids team isn't subjected to extra germs.
